Laboratory Benefit Management Program for Blue Cross Blue Shield
G2031 Policy – Allergy Testing

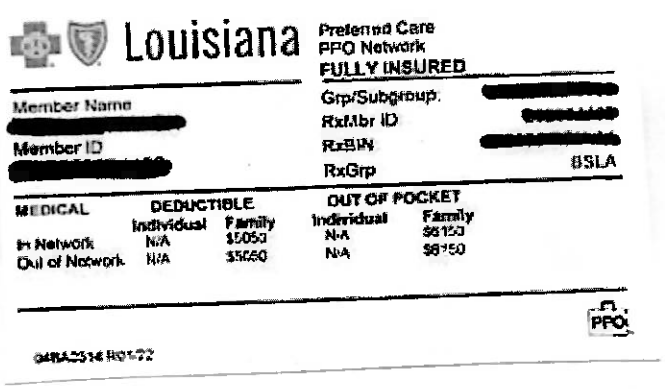
Blue Cross and Blue Shield of Louisiana has partnered with Avalon Healthcare Solutions (Avalon) to offer a suite of laboratory benefit management services, including lab policies and routine testing management.

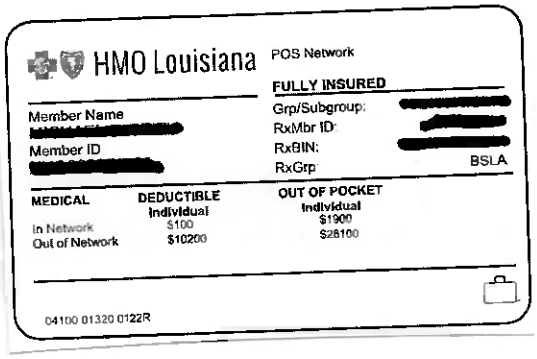
Under the G2031 Policy (allergy testing), fully-insured, Federal Employee Program (FEP) and Blue Card (out-of-area) members are included in the program. Self-funded members are excluded.

In order for you to determine which plan the member has, the patient must provide their current Blue Cross insurance card. Below are examples on how to determine which plan the member has.

Fully Insured Plans (included)

- The insurance card will state fully-insured, regardless of HMO, PPO, and POS.

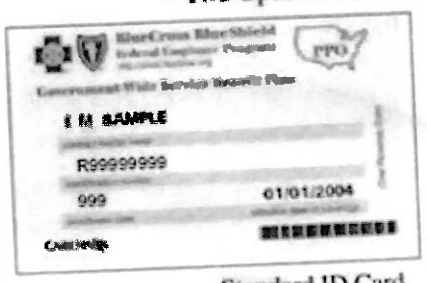




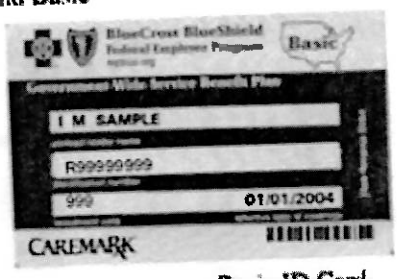
Federal Employee Program (FEP) and Blue Card (out-of-area) Plan (included)

- FEP Plan – Prefix starts with "R"

- Federal Employee Program (FEP):
  - Two Options: Standard and Basic

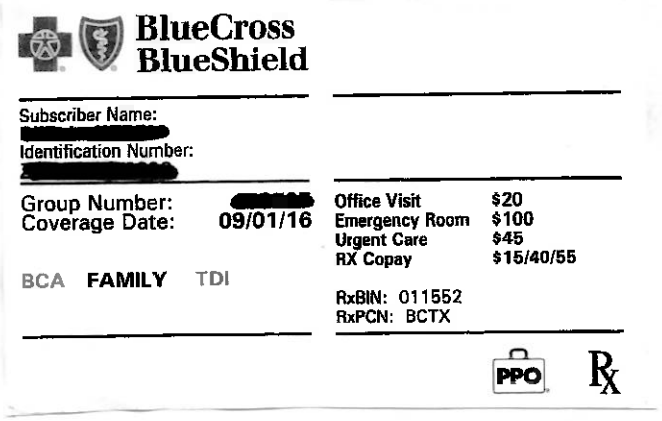


Standard ID Card



Basic ID Card

- Blue Card Plan – Out-of-area Blue Cross AND does not have an employer name/logo on the front of the insurance card.



Self-funded Plan (excluded)

- Employer name/logo will be on the front of the card.
